

The Pistons are scheduled to be on national television four times throughout the regular season – TNT will broadcast the team’s road contest against the Philadelphia 76ers on January 10, while NBA TV will broadcast the December 1 matchup with the Dallas Mavericks, the January 19 game in Paris versus the Chicago Bulls and the home contest against the Milwaukee Bucks on March 27. A complete radio and television broadcast schedule for Pistons games will be released at a later date.

The 2022-23 Pistons schedule and schedule breakdown is attached. Below, please find a list of home promotional items and theme nights, subject to change.
